SUBMITTING TO THE SNOWB(0)ARD

Contributing is partly, but not only, by invitation, however, the review appears usually only once a year so because we do not like to hold work for ages it is best to enquire/inquire before making unsolicited submissions.

Writing submissions should be by email attachment as a single doc(x) or pdf file, not over several files, not in any other format, not in the body of the email message.

Image and music submissions can be over separate files.

We do not publish work that has previously appeared anywhere else in a publicly or semi-publicly accessible form whether in print or online though occasional exception may be considered concerning an image or a small part that may have appeared elsewhere of a larger whole.

Contributions should not appear anywhere else until at least seven months have elapsed after our publication, following which not commissioned contributors are free to do what they wish but not, without our written permission, in our setting.

Acknowledgement is appreciated.

Prose and poetry are under the editorial province of AB and IB together while images and music are under the province of AB.

Response time is very quick often in a matter of days.

We cannot pay for work except in the most exceptional commissioned circumstances though contributor copies are reasonably freely available.

Snow ABP is not in receipt of institutional or public funding and no-strings-attached financial support is appreciated.
